The Deputy Commissioner, Kolar
 in his letter No. $\frac{123}{20}$ dated the 9th
 July 1902 requests that early sanction
 of Govt may be accorded to the trans-
 fer of Mr. Reuben from Tumkur to
 Kolar Gold Fields and states with
 reference to the Inspector General's ob-
 servations (referred to above) that
 it was not unnatural on his part to
 consider that the matter of transfer
 of Mr. Reuben rested entirely with
the Inspector General after the offer
 made in his letter No. C.2208 dated
 15th May 1902 had been accepted by
 the Inspector General and that this
 would sufficiently explain his +
 Mr. Thomas' telegrams to the Inspector
 General.

SIR, .

Mr. Reuben is an Inspector on Rs 100 /: plus Rs 15 /: horse allowance. — He is now Head Quarter Inspector Tumkur. — He is the 8th in the list of Inspectors on Rs 100 /: —

2. Mr. Ball an Inspector in the Kolar Gold field having been appointed by Government to act as Amildar, the Deputy Commissioner of Kolar in his letter No: C. 2208 of the 13th May 1902, hereunder transcribed, enquired if Mr. Reuben would accept Mr. Ball's place, the pay of his post being Rs 125 /: rising to Rs 175 /: by annual increments of Rs 10 /:) plus Rs 20 /: horse allowance. —

Encs to Sd. P. R. 67-21

From,

F. C. Carr, Esq.,

Deputy Commissioner,

Kolar District.

To,

B. K. Venkataradaiaengar Esq.,

Inspector General of Police in Mysore.

Sir,

I have the honor to report that Inspector Ball having been appointed Amildar of Dod Ballapur, left the Gold Field at the beginning of this month. — The appointment of the Inspector A Division, Kolar Gold Fields is thereby vacant. —

2. Mr. Simon Reuben, Head Quarter Inspector of Tumkur District, has applied to the District Superintendent of Police, Kolar Gold Fields for the appointment, and as he appears to have passed all the necessary examinations, is a B. A. of the Bombay University, and is well reported on by his Superintendent, and by all officers under whom he has previously served, I would request that he may kindly be given a trial. He would start on the minimum pay of an Inspector on the Gold Fields, and would be strictly on probation for six months; after which time, it might rest with the District Superintendent and myself, to recommend him to be made permanent. —

3. There are several things which rather militate

4
militate against Mr. Reuben being a success
in the appointment. He is young, has only
put in 7½ years of service, has done next-
to no executive work, and has had no expe-
-rience in the detection and handling of
important criminal cases. He must under-
-stand therefore that he is on the strictest
probation, and that he is liable to be
reverted to his permanent appointment
at any time, should he be found unable
to cope with the exceedingly difficult and
arduous duties which an Inspector on the
Gold Field is called upon to perform. If
he is willing to accept these terms he-
might be given a fair trial. —

I have Etc.

/sd/ F. C. Carr

Deputy Commissioner

Kolar District.

3. Mr. Reuben was asked and he replied
that he was ready to accept the (Kolar
Deputy Commissioner's) offer. His reply was
received on the 27th May 1902 and on the-
same day it was intimated to the Deputy
Commissioner of Kolar. — There the matter stopped.
After some time the Superintendent of the Kolar
Gold Field sent the following telegram on the
17th June 1902 asking that Mr. Reuben may
be

From, The District Superintendent of Police.

To, The Inspector General of Police.

"Inspector Reuben has not joined yet. Urgently required. Would request he may be ordered join immediately!"

As nothing had been heard from the Deputy Commissioner the following letter No: $\frac{5766}{316}$ of the 17th June 1902 was sent to him stating that the matter depended with him. —

From, B. K. Venkataradhaiah Esq.,
Offg. Inspector General of Police in Mysore.

To, J. E. C. Carr Esq.,
Deputy Commissioner of the Kolar District

No: $\frac{5766}{316}$. Dated 17th June 1902.

Sir,
The Superintendent of Police of the Kolar Gold Field wires to me thus:—

"Inspector Reuben has not joined yet. —: Urgently required. Would request he may be ordered to join immediately". But I have not heard anything from you about his —: appointment nor about sending him. & you —: enquired if he was willing to join you —: and his reply in the affirmative was —: communicated to you. There the matter has stopped.

stopped. —

I have etc.,

1st/ B. K. Venkataradaiengar.

Offg. Inspector General of Police.

4. To-day the following telegram was received from the Deputy Commissioner stating that he naturally expected Mr. Reuben to join him without further orders as he accepted the offer made to him. —

From, F. C. Carr Esq.,

To, The Inspector General of Police,
Bangalore.

" Reuben accepted my terms. I — naturally expected him to join without — further orders. Please direct join without delay." —

5. With every deference to the Deputy Commissioner, I beg to state that it was not natural for Mr. Reuben to join the Deputy Commissioner without further orders, nor for me to send him without the final decision of the Deputy Commissioner; but that the step to be taken was (I believe) the issue, by the Deputy Commissioner, of a recommendation on behalf of Mr. Reuben and the submission of the same by me to Government for

for sanction. As, however, the Deputy Commissioner has now signified by wire, his intention to try Mr. Reuben, I respectfully solicit the very early sanction of Government to his proposal. —

b. In the absence of an official recommendation from the Deputy Commissioner, I ~~have~~ had to base mine on his telegram and as his telegram hinted at some omission and delay, I have been obliged to add the above explanation while submitting its copy in lieu of a letter. —

I have the honor to be,

Sir,

Your most obedient servant

From

Rev: and Genl: Departments.

Sir,

With reference to letter
no: $\frac{5832}{398}$ dated 26th June 1902,
from The Inspector General
of Police to Government,
Copy of which the Inspector
General has very courteously
forwarded to me, regarding
the transfer of Inspector Benben
from the Tumkur District
to the Gold Field, I have
the honour to request -
that the transfer may
be sanctioned as soon

as possible, seeing that Mr. Ball was promoted as Amildar of Dodballapur, and left the Gold Field as far back as the beginning of May.

2. Since that date Mr. Thomas has had to work with only one Inspector on the Gold Field. He has further been unfortunate enough to lose the services of two experienced Detective Inspectors, Subbappa and Fitzpatrick, with the consequence that work has been greatly retarded in all directions.

3. Adverting to the Correspondence passing between this office and the Inspector-General, I would point out, with all due deference to

the opinion of that officer,
that it was not unnatural
on my part to consider that
the matter of transfer of
Inspector Benben rested is
entirely with the Inspector
General, after the offer is
made in my letter C. H. 2202
dated 15th May 1902 had been
accepted by Inspector Benben
and approved of by the
Inspector General, (vide his
letter no: $\frac{5332}{285}$ dated 27th May

ciently explains mine and
Mr. Thomas' telegrams to
the Inspector General.
